The British Chinese Language Teaching Society (BCLTS www.bclts.co.uk) is a non-profit organisation that is the academic society for Chinese language teachers from UK universities. Ever since it was founded in 1997 at Oxford University, the Society has been at the forefront of Chinese Language teaching in the UK. With its 20th anniversary celebration in 2017, the BCLTS has entered into a new era as Britain' s national academic organisation for Chinese language teachers, with its dual role of enhancing the quality of teaching Chinese as a second/foreign language at HE level, and of promoting research into Chinese language education through its workshops and international conferences.
